

## **WINTER PARKING; SNOW EMERGENCIES**

To facilitate snow removal, the following additional parking restrictions shall be in effect:

- A) **SNOW EMERGENCY** - will be declared by the Director of Engineering, premised upon threatening or existing adverse weather or street condition, or when discretion necessitates. Notification procedures of the snow emergency shall be as per the Snow and Ice Control Policy adopted by the City Council. During a declared snow emergency, it is unlawful to park or leave a vehicle standing on any street or avenue until the time as the street or avenue has been substantially cleared of snow from curb to curb, or until the snow emergency has been canceled.
- B) No owner, tenant or manager of any premises in the City shall allow snow and ice accumulations in off-street parking areas which reduces the number of parking stalls available for use below the number of required off-street parking stalls under Ch. 154 of this code, or under a conditional use permit. The owners, tenants or property managers shall have 24 hours to clear required parking areas after a snowfall.
- C) **FOLLOWING THE ACCUMULATION OF THREE INCHES OR MORE OF SNOWFALL** in the City of Waseca, it shall be unlawful for the driver or owner of any motor vehicle, trailer or implement to park or leave standing such a vehicle, trailer or implement on any street or alley within the corporate limits of the City of Waseca. Parking may not be resumed on any streets or alleys until snow removal has been completed on said streets.
