

MEMORANDUM

DATE: March 3, 2017
TO: Mayor & Council Members
FROM: Mike Anderson, Assistant to the City Manager
SUBJECT: City Manager's Report

Electrical Outages Update

- 1) There were no electric outages during January.
- 2) There was one secondary service outage in the month of February for 30 minutes at 724 Tenth Avenue NE from 4:30 p.m. until 5:00 p.m.

Spring Clean Up Season Approaching!

Please begin the following once the snow melts!

- Promptly clean up the yard waste from your pets
- Pick up unwanted litter, trash, garbage and dispose of properly
- Don't park on the lawn, grass or unapproved surfaces.
- Move that accumulation of material/junk/rubbish inside or off your property
- Get the lawn mower and weed eater ready for the mowing season
- Gather up the sticks, branches and brush and be ready for the City brush pick up (date TBD)

Long Term Flood Recovery Committee

The spring thaw is coming soon. Are you concerned about the potential risk of post flood issues? Then please contact the Waseca Long Term Flood Recovery Committee. They are here to help! Please visit <https://wasecafloodingrecovery.com/> for more information.

Fire Department Promotional Safety Document

The Waseca Fire Department would like to remind you that the day when you change your clocks for daylight savings time is the perfect opportunity to change the batteries in your smoke alarms. Please see attached for more information.

The complete City Limits document can be found on the City's website at <http://ci.waseca.mn.us/the-city-limits-weekly-managers-report/>

Change Your Clock, Change Your Smoke Alarm Battery

The Waseca Fire Department would like to remind you that the day when you change your clocks for daylight savings time is the perfect opportunity to change the batteries in your smoke alarms.

When smoke alarms fail, it is usually because batteries are missing, disconnected or dead. According to the National Fire Protection Association, the households with non-working smoke alarms now outnumber those with no smoke alarms. Smoke alarms that are properly installed and MAINTAINED play a vital role in reducing fire deaths and injuries. As most fatal fires occur at night, by taking the time to replace the batteries in your smoke alarms, you can sleep better knowing that you've provided one of the best ways to alert those in your household should a fire occur.

Remember, almost every day a smoke alarm saves someone's life.

Smoke Alarm Tips:

- Test smoke alarms once a month
- Replace batteries in all smoke alarms twice a year (when you change your clocks for daylight savings time)
- Never remove the batteries from smoke alarms, not even temporarily
- Regularly vacuum or dust smoke alarms to keep them working properly
- Replace smoke alarms every 10 years
- Don't paint over smoke alarms
- Practice family fire drills so everyone knows what to do if the smoke alarm goes off

If you have any questions regarding the installation and maintenance of smoke alarms, or if you have any other questions about how to protect yourself and your household in the event of a fire, please feel free to contact the Waseca Fire Department at 303 South State Street or 507-835-3210.
