

MEMORANDUM

DATE: March 17, 2017
TO: Mayor & Council Members
FROM: Mike Anderson, Assistant to the City Manager
SUBJECT: City Manager's Report

Waseca Visioning 2030

BEST of Waseca County is leading an effort for the City of Waseca to develop a community vision to establish what the residents, businesses and other stakeholders would like our community to look like in 2030. This robust community engagement effort is designed to reach out into the community to get a broad range of perspectives on what makes this community great and what we need to improve to stay that way. This process builds on and complements the work done over the past several years on strategic planning, but focuses on generating implementable and visible change. Please see for yourself and visit www.wasecavision2030.com !
