

Waseca Utilities Electric/Water Residential Audit “House Call”

When you sign up for a House Call, an energy professional with GA Ernst & Associates, Inc. will visit your home to check for air leaks, provide energy-saving materials, and find your home’s best opportunities for saving energy and reducing your utility bills.

Two levels of House Call are offered:

Standard House Call

- \$150 value for a customer co-pay of \$50
- 1 hour
- Review with you the history of your energy uses; direct the installation of energy saving devices; assess appliances, water savings, water heater, and heating, ventilation and air conditioning (HVAC) equipment; and provide a detailed written report that lists energy saving recommendations specific to your home.
- Materials provided (valued at approximately \$40) will include:
 - Outlet seals
 - Hot water card
 - 4 – ENERGY STAR® LED bulbs
 - 1 – 1.5 GPM shower head
 - 1 – 1.5 GPM kitchen faucet aerator
 - 1 – .05 GPM bath faucet aerator
 - 1 – 6 ft. pipe wrap

Performance House Call

- \$270 value for a customer co-pay of \$90
- 2 ½ to 3 hours
- The Performance House Call includes all the features of a Standard House Call. In addition, the auditor will perform blower door and infrared diagnostics of your home. The final written report will include infrared photos identifying areas of concern.
- Materials provided (valued at approximately \$50) will include:
 - Outlet seals
 - Hot water card
 - 4 – ENERGY STAR® LED bulbs
 - 2 – 1.5 GPM shower head
 - 1 – 1.5 GPM kitchen faucet aerator
 - 2 – .05 GPM bath faucet aerator
 - 1 – 6 ft. pipe wrap

Program participation is limited to City of Waseca electric customers. Due to limited funding, this program offer can be withdrawn at any time without notice and is available on a first-come, first-served basis.
