## GENERAL TERMS AND CONDITIONS

All information for the requested rebate as well as customer signature must be completed. Only complete applications will be processed. Customers must apply for rebates within three months of the service date show on the receipt/invoice. The rebated service must be installed where water service is provided by the Utility on a retail basis. The Utility and/or its designees reserve the right to review installations to verify completion and to ensure compliance with all program requirements. Misrepresentation of installation location, measure eligibility, or implementation may result in forfeiture of the rebate and exclusion from the program. Due to limited funding, this rebate offer can be withdrawn at any time without notice, and is available on a first-come, first-served basis. After satisfactory review of the rebate form and other required documentation, a bill credit will be issued to the customer. Please allow 60 days from the receipt of this form for the delivery of the bill credit. The Utility does not guarantee that the implementation of energy-efficiency measures or use of the equipment purchased and installed pursuant to this program will result in energy or cost savings. The Utility does not endorse any particular vendor, manufacturer, or product, and makes no warranties, expressed or implied, with respect to any service or equipment purchased or installed including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall the Utility be liable for any incidental or consequential damages.
